We recommend you order just enough each year to enjoy the fresh flavor.

Thank you very much. Best wishes for your optimal health, beauty & happiness.

I have been a loyal user for Hadaseicha's green tea-bag since 2003. Many other green teas I have tried ~~are~~ typically has some taste of staleness & bitterness. In comparison, Hadaseicha's is greenish & extremely fresh taste. Definitely it's the best green tea.
